**THE BEST PLACE TO ACQUIRE PLANS FOR THESE IS FROM THE DESIGNER:**

**MR. WALT MUSCIANO  
133A DELLGLEN  
LODI, NJ 07644  
TELE: 973 340-9410**

He has all the plans Also Jim Dodson, 843-521-1754, has plans, and some accessories, such as aluminum cowls.

Thanks to Jim and Currell Pattie for their help in building this list, and to Jim Smith, NVCL, for acquiring plans for the Lucky Racer. The Bel Air was removed for 2006 because it had a hollow wing and enclosed controls.
